Associate Professor Dr Tong Seng Fah
Department of Family Medicine
Faculty of Medicine
University Putra Malaysia

Dear A/P Dr Tong

It is a pleasure to accept your manuscript entitled: "Making Sense of Mixed Method Design in Health Research: Reconciliation of the Findings in a Study of the Doctors’ Decision Making Process in Engaging Male Patients in Health Checks " for publication in The Malaysian Journal of Qualitative Research issue Vol 1 No 1 2015

We do apologise for the delay in the notification that may have cause you inconvenience and we thanked you for your patience and understanding.

Thank you for your contribution to the journal.

Yours sincerely

Khatijah Lim Abdullah
Chief Editor
The Malaysian Journal of Qualitative Research (2014-2016)
