Subject: Accept - Journal of Biomedical Materials Research. Part A. Manuscript (JBB-A-16-0360) R1

Date: 23 Sep 2016

Dear Dr. [Author's Name],

I am pleased to inform you that your recent manuscript entitled, "Formulation and in-vivo & in-vitro evaluation of a new osteoprotectin/Chitosan gel for bone tissue regeneration," is now acceptable for publication in the Journal of Biomedical Materials Research. Part A.

Your article cannot be published until you have signed the appropriate license agreement. Around the time you receive your proofs, which will take several weeks, you will receive an email from Wiley's Author Services system which will ask you to log in and will present you with the appropriate license for completion.

Please feel free to contact [Contact Information] at [Email Address] if you have any questions about the process. Thank you for your support of the Journal of Biomedical Materials Research. Part A. We look forward to seeing more of your work in the future.

Sincerely,

[Editor's Name]
Journal of Biomedical Materials Research. Part A
