I. CONCEPT OF HALAL AND HARAM IN WIDENED SCOPE

1. HALAL AND HARAM IN WIDENED SCOPE (ARTICLE 2.4.2)

As we have discussed before in previous module, halal and haram are not confined to matters of dietary and products, but they cover all aspects of human life. First, private aspects such as issues regarding food and drink, to the material and global dimensions such as environment and human behaviour.

In conclusion, halal and haram are not just confined to the religious aspect, but they also cover the social and cultural aspects of human life. Therefore, it is essential to understand the concept of halal and haram in a wider context to ensure that the principles of Islamic law are applied in all aspects of human life.
