Title: Plasma thermal spray of ceramic oxide coating on carbon steel with enhanced wear and corrosion resistance for oil and gas applications
Ceramics International

Dear Dr. Sarhan, A.A.D,

I am pleased to inform you that your paper “Plasma thermal spray of ceramic oxide coating on carbon steel with enhanced wear and corrosion resistance for oil and gas applications” has been accepted for publication in Ceramics International.

Below are comments from the editor and/or reviewer.

When your paper is published on ScienceDirect, you want to make sure it gets the attention it deserves. To help you get your message across, Elsevier has developed a new, free service called AudioSlides: brief, webcast-style presentations that are shown (publicly available) next to your published article. This format gives you the opportunity to explain your research in your own words and attract interest. You will receive an invitation email to create an AudioSlides presentation shortly. For more information and examples, please visit http://www.elsevier.com/audioslides.

Thank you for submitting your work to Ceramics International.

Yours sincerely,

Pietro Vincenzini
General Editor
Ceramics International

Comments from the editors and/or reviewer:

Reviewer #1: I have studied the revised manuscript and am satisfied with most of the changes in the text.
