The Effects of Audio Stimuli on Auditory Evoked Potential in Normal Hearing Malay Adults

Ibrahim Amer Ibrahim,1,2,3,4 Hua-Nong Ting,2
Mahmoud Moghavvemi,1, 4, 5,*

I am pleased to inform that your above-referred article has been accepted for publication in the International Journal of Health Sciences (IJHS). It would be published in due course. IJHS is a premiere academic journal of the Middle Eastern region. A publication in IJHS is a source of pride. Contributions of erudite scientists and scholars have brought prestige to this journal.

I would like to express my sincere gratitude for considering IJHS for the publication of your scientific work.

A. AL-Mohaimeed

Dr. Abdul Rahman A. Al-Mohaimeed
Editor-in-Chief
International Journal of Health Sciences
