Ref: JEP_2018_1370_R1
Title: Leptospermum flavescens Sm. protect pancreatic β cell function from streptozotocin involving apoptosis and autophagy signaling pathway in in vitro and in vivo case study
Journal: Journal of Ethnopharmacology

Dear Dr. Mohamad,

I am pleased to inform you that your paper has been accepted for publication. My own comments as well as any reviewer comments are appended to the end of this letter. Now that your manuscript has been accepted for publication it will proceed to copy-editing and production.

Thank you for submitting your work to Journal of Ethnopharmacology. We hope you consider us again for future submissions.

Kind regards,

Thomas Efferth
Associate Editor
Journal of Ethnopharmacology
