BIOSAFETY GUIDELINES

CONFINED FIELD TRIAL OF LIVING MODIFIED PLANTS IN MALAYSIA
ACKNOWLEDGEMENT

We wish to thank and acknowledge Dr. Vilasini Pillai, Prof. Dr. Yasmin Othman and Prof. Dr. Norzulaani Khalid for their effort and time in drafting this Guideline. Our thanks also go to all others who generously contributed to this Guideline.
# CONTENTS

## CHAPTER 1  INTRODUCTION TO THE GUIDELINES FOR CONFINED FIELD TRIALS OF LIVING MODIFIED PLANTS

1.1 Introduction  
1.2 Training of Personnel  
1.3 Regulations pertaining to confined field trials  
1.4 General requirements

## CHAPTER 2  APPLICATION FORMS

2.1 Introduction  
2.2 Submission of the Application  
2.3 Review and Authorisation

## CHAPTER 3  TRANSPORTING AND STORAGE OF EXPERIMENTAL LIVING MODIFIED PLANTS

3.1 Introduction  
3.2 Training of Personnel  
3.3 Transporting of Experimental Living  
3.4 Packaging and Labelling  
3.5 Disposal of Experimental Living Modified Plant Material  
3.6 Records  
3.7 Storage of Experimental Living Modified Plants  
3.8 Emergency Response Plan

## CHAPTER 4  MANAGEMENT OF CONFINED FIELD TRIALS

4.1 Introduction  
4.2 Training of Personnel  
4.3 Planting of Confined Field Trials  
4.4 Emergency Response Plan  
4.5 Reports and Records

## CHAPTER 5  SAMPLING, RECORD KEEPING AND DISPOSAL

5.1 Introduction  
5.2 Sampling for analysis  
5.3 Storage of Material after harvesting  
5.4 Transport of LMO after Sampling or Harvesting
