Dear Dr. Ainin:

I am pleased to formally inform you of the acceptance of your manuscript, entitled "ORGANIZATIONS PERFORMANCE, CUSTOMER VALUE AND THE FUNCTIONAL CAPABILITIES OF INFORMATION SYSTEMS," for publication in Information Systems Management.

Please email me (janice.sipior@villanova.edu) the final version of your paper in American English, as a Word doc, which includes:

- full author names and affiliations
- brief author bios (max of 100 words each)
- an email address for the corresponding author
- an abstract (max of 75 words)
- at least 3 keywords

You will receive proofs to verify and instructions for transfer of copyright in due course. Please note that I currently have a backlog of manuscripts awaiting publication.

The publisher requests that proofs are checked and returned within 48 hours of receipt.

Thank you for your quality contribution to Information Systems Management.

Kind regards,
Janice C. Sipior, PhD
Editor-in-Chief, Information Systems Management

The paper now reads in a coherent manner. However there are a few grammatical errors that needs to be fixed. For example, on page 3, the first paragraph under the Literature Review section needs to be reworded. It would be better to reformat the table on the last page pertaining to questionnaire to show the Likert scale.

The manuscript has improved significantly with this revision. It is more readable and justifiable. Good job!!
