Dear Authors,

Thank you very much for submitting your manuscript

"Development of a Web-based Insulin Decision Aid for the Elderly: Usability Barriers and Guidelines"
By: Angeline Su Lyn Lum, Thiam Kian Chiew, Chirk Jenn Ng, Yew Kong Lee, Ping Yein Lee, Chin Hai Teo,

which has been accepted to appear as a Long Paper in a forthcoming issue of the international journal "Universal Access in the Information Society", published by Springer.

Please find attached your manuscript with some editorial comments (in revision mode), which I kindly ask you to consider while preparing the final submission. Please send it back to me electronically at your earliest convenience.

I would like to take the opportunity to thank you for your efforts and to congratulate you for your work.

Best regards,
Constantine Stephanidis
Editor-in-Chief, UAIS journal

Dear Prof. Stephanidis (Editor-in-Chief),

We greatly appreciate the editorial comments.

Please find attached herewith a copy of our response to the editorial comments and the paper “Development of a Web-based Insulin Decision Aid for the Elderly: Usability Barriers and Guidelines” for final submission.

Thank you.

Sincerely,
Angeline Lum
