Dear Dr Idris:

Your manuscript entitled "Social Entrepreneurship in Indonesia: Past and Future Determinants", which you submitted to The Journal of Social Entrepreneurship, has been reviewed. The reviewer comments are included at the bottom of this letter.

The reviewer(s) would like to see some revisions made to your manuscript before publication. Therefore, I invite you to respond to the reviewer(s)' comments and revise your manuscript.

When you revise your manuscript please highlight the changes you make in the manuscript by using the track changes mode in MS Word or by using bold or coloured text.

To submit the revision, log into http://mc.manuscriptcentral.com/rjse and enter your Author Centre. Click on the purple 'Click here to submit a revision' link to start the revision process. If you have more than one manuscript awaiting revision, this will take you to a list of those papers and you can click on the Create a Revision link for the paper you want to revise. Your manuscript number has been appended to denote a revision. Please enter your responses to the comments made by the reviewer(s) in the space provided. You can use this space to document any changes you made to the original manuscript. Please be as specific as possible in your response to the reviewer(s).

IMPORTANT: Your original files are available to you when you upload your revised manuscript. Please delete any redundant files before completing the submission.

Because we are trying to facilitate timely publication of manuscripts submitted to The Journal of Social Entrepreneurship, your revised manuscript should be uploaded as soon as possible. If it is not possible for you to submit your revision in a reasonable amount of time, we may have to consider your paper as a new submission.

Once again, thank you for submitting your manuscript to The Journal of Social Entrepreneurship and I look forward to receiving your revision.

Yours sincerely,

Dr Alex Nicholls MBA

Empirically very good and interesting. It is important to explore different cultural milieu to inform new theories of social entrepreneurship. I think you underplay the role of Islamic business ethics, and ignore post-colonial theory. You give the reader the impression that colonialism has the greater impact, but your more interesting comments come in the latter half of the paper. there could be two papers here- one on colonial influences and post-colonial theory, and one on Islam
