Thank you very much for sending the latest an e-mail, including to submit the full paper in BING (English Language) via conventional e-mail entitled “The Role of Uthman bn Foduye in Establishing Centre of Islamic Learning in Hausaland (Northern Nigeria): A Comparative Study of Pondok System in Kelantan, Malaysia.”
So sorry for very late replying your e-mail, due to the process of reviewing a paper is needed a lot of time.

Having reviewed your paper by Experts Editorial Board, my considerations are:

(1) Please ensure to make the statement, that your paper is not product of plagiarism, not to be submitted, reviewed as well as published by other scholarly journals, and finally having received, it will also not to be withdrawn by the author from this journal;

(2) Please identify clearly the Author with academic title, including the Authors’ photograph;

(3) Please updating your References by citing the books as well as the journals that be published ten years latest between 2007 to 2017.

If you are able to do that (points 1 to 3), your paper is substantially SUITABLE to be published in the TAWARIKH: International Journal for Historical Studies, Issue of April 2018.

But, in order your paper is able to be published, you have two options as follows:

Firstly, you are free or not to pay the journal fee and its consequences, having published the journal, you will not also get the journal prints. So your paper is only displayed in the journal website.

Secondly, you have to pay the publication fee as amount as USD 450 (four hundred and fifty Dollars USA) for three authors and as its consequences, having published the journal, you (each author) will get 2 (two) journal prints, and also the abstract, full text in PDF, and your photograph will be displayed in our journal website.
The payment (if you choose the second option), having revised your paper, should be done ASAP (as soon as possible) in order your paper is not substituted by other authors, due to the papers for issue of April 2018 are also going to full. I give you the time for paying the journal fee and revising the paper until April 21, 2017. If until the final date, you don’t reply this e-mail, your paper will be substituted by other papers.

As you know that the TAWARIKH journal was firstly published on October 28, 2009 in the context to commemorate the Youth Pledge Day in Indonesia. For period of 2012 to 2017, the TAWARIKH journal has also been accredited by Ditjen Dikti Kemendikbud RI (Directorate-General of Higher Education, Ministry of Education and Culture of the Republic of Indonesia) based on the SK Dirjen Dikti No.80/DIKTI/Kep/2012, on 13th December 2012, for period of 2012 to 2017.

For further information about this journal – including Guidelines for the Authors, Current and Back Issues – you are able to visit it at: www.mindamas-journals.com/index.php/tawarikh and for searching other scholarly journals published by Minda Masagi Press, a publisher owned by ASPENSI in Bandung, you are able to visit them at: www.mindamas-journals.com and www.aspensi.com

Your good attention and cooperation are highly appreciated.

Sincerely yours,

Prof. Dr. Haji Sulasman
Chief Editor of the TAWARIKH Journal.
