Dear Dr. Hashim:

It is a pleasure to accept your manuscript entitled "Prevalence of psychiatric disorders among juvenile offenders in Malaysian Prisons and association with socio-demographic and personal factors." in its current form for publication in the International Journal of Prisoner Health. The comments of the reviewer(s) who reviewed your manuscript are included at the foot of this letter.

By publishing in this journal, your work will benefit from Emerald EarlyCite. This is a pre-publication service which allows your paper to be published online earlier, and so read by users and, potentially, cited earlier.

Please note, EarlyCite is not a proofing service. Emerald operates a 'right first time' policy, which means that the final version of the article which has been accepted by the Editor will be the published version. We cannot allow further changes to the article once it has been accepted.

Please go to your Author Centre on Manuscript Central (Manuscripts with Decisions for the submitting author or Manuscripts I have co-authored for all listed co-authors) to complete the copyright assignment form. We cannot publish your paper without the copyright form. All authors are requested to complete the form and to input their full contact details, to ensure that a complimentary journal copy can be despatched upon publication. If you have provided full contact information in the completed copyright form your journal copy should arrive within 8 weeks of print publication.

If any of the contact information is incorrect you can update it by logging onto your author account and go to Edit Details at the top right of the screen. You cannot edit the copyright form directly. If the information on the article title page is incorrect you must contact the journal Publisher immediately.

If you would like more information about Emerald’s copyright policy please visit the Information & Forms section in the Resources section of your Author Centre.

Thank you for your contribution. On behalf of the Editors of International Journal of Prisoner Health, we look forward to your continued contributions to the Journal.

Yours sincerely,

Mr. David Kane
Associate Editor, International Journal of Prisoner Health
