COPYRIGHT TRANSFER

Formal written transfer of copyright from the Author(s) to the publisher is required for each article. Such transfer enables the publisher to provide for the widest possible dissemination of the article through activities such as: retrievability and accessibility of information; delivery of information; individual article supply; production of microfilm editions; authorization and distribution of reprints; translations; other forms of distribution for use of all or part of the article in electronic and other formats to be developed. Without this transfer of copyright, such activities on the part of the publisher and the corresponding spread of information are limited; transfer of copyright is also required to enable the publisher to fend off plagiarism and other forms of copyright infringement. We therefore ask that you complete and return this form promptly. Your cooperation is essential and appreciated.

Copyright of the article #160144-09/2016 entitled:

“Visual system homeobox 1 (VSX1) gene analysis in keratoconus: design of specific primers and DNA amplification protocols for accurate molecular characterization”

to be published in the journal “Clinical Laboratory”

is hereby transferred, throughout the world and the full term and all extensions and renewals thereof, to:

Clinical Laboratory Publications GmbH
Neue Rheingausstrasse 13, D-55129 Mainz, Germany. ISSN 1433-6510

However, the Author(s) reserve(s) the following:

a) Trademark rights and patent rights, if any;
b) the right to use all or part of the information, contained in this article in future, non-commercial works of the Author’s own, or, if the article is a “work-for-hire” and made within the scope of the Author’s employment, the employer may use all or part of the information contained in this article for intra-company use, provided the usual acknowledgements are given regarding copyright notice and reference to the original publication.

The Author warrants that the article is the Author’s original work, and has not been published previously. If excerpts from copyrighted works are included, the Author will obtain written permission from the copyright owners and shall credit the sources in the article. The Author also warrants that the article contains no libelous or unlawful statements, and does not infringe on the rights of others.
