University of Malaya Book Series on Research in Visual Arts Education is a collection of peer-reviewed papers by local and international scholars. This book aims to disseminate current research to both academicians (Faculty of Education and Akademi Pengajian Melayu) and tertiary visual arts student. In this series, our contributors are Maithreyl Subramaniam, Jaffri Hanafi, Abu Talib Putih, Sabzali Musa Kahn and Rusmawati Ghazali, who are local researchers. This book draws upon insightful observation and analysis into discovering students' performance of a critical place-based art education programme through mixed methods integration.
