Friends,

I wanted you to know that I have today sent issue 108.1 January/February 2013 to the publisher. The issue is scheduled to be out in February proofs in mid-December, app. December 11. The request will come from Hannah Heckner, our production editor. It is important that you return proof in time.

I have included a copy of the table of contents below. Thank you for your contribution to RELIGIOUS EDUCATION. As you can see I have focused the discussion in my editorial on "identity, education and pluralism." This is a fine set of essays.

Thanks,
Jack
