Ms. Ref. No.: AUTCON-D-12-00226R2
Title: Using PLS-PM to Model the Process of Inter-project Learning in Construction Projects
Automation in Construction

Dear Dr. Ali Mohammed Alashwal,

The review process of your revised and resubmitted manuscript entitled "Using PLS-PM to Model the Process of Inter-project Learning in Construction Projects" has been completed.

Your paper has now been accepted for publication. Before final submission to the production department, please spell out the acronym in the paper title.

Thank you once again for your efforts and your contribution to Automation in Construction.

Please proceed to the following link to update your personal classifications and keywords, if necessary:
http://ees.elsevier.com/autcon/l.asp?i=69383&i=8IYWBY68

When your paper is published on ScienceDirect, you want to make sure it gets the attention it deserves. To help you get your message across, Elsevier has developed a new, free service called AudioSlides: brief, webcast-style presentations that are shown (publicly available) next to your published article. This format gives you the opportunity to explain your research in your own words and attract interest. You will receive an invitation email to create an AudioSlides presentation shortly. For more information and examples, please visit http://www.elsevier.com/audioslides.

With best regards,

Miroslaw J. Skibniewski
Editor-in-Chief
Automation in Construction
