27-Nov-2012

Dear Dr. Ataollahi Oshkour,

It is a pleasure to accept your manuscript entitled "Internal-external circumferential crack behavior in the cement layer of total hip replacement" in its current form for publication in FFEMS. Your manuscript will be sent for type-setting and you will receive a proof for checking in due course. If you have any queries please do not hesitate to contact our editorial office.

Now that your manuscript has been accepted for publication, you will need to complete a Copyright Transfer Agreement. If you have not already completed and signed a copy of this form and uploaded it with your manuscript files, you must send a copy of the form to the journal's Production Editor. Your manuscript cannot be published without receipt of this form. The form can be accessed online at http://www.wiley.com/go/ctaaglobal; having printed a copy and completed this, please send this form, by e-mail attachment, fax or post to the Production Editor using the details below:
