Dear Prof. Aziz Hassan,

We are pleased to inform you that your manuscript, "Improvement in mechanical performance and interfacial behavior of kenaf fiber reinforced high density polyethylene composites by the addition of maleic anhydride grafted high density polyethylene", has been accepted for publication in the Journal of Polymer Research.

Please remember to quote the manuscript number, JPOL-D-13-01082R1, whenever inquiring about your manuscript.

With best regards,

Show-An Chen
