Dear Sir,

Manuscript for Hong Kong Journal of Emergency Medicine

We are sending herewith a manuscript, which we would like to submit to the Hong Kong Journal of Emergency Medicine under the category of original research article. The manuscript is entitled “Comparing key factors influencing organ donation between religious leaders and public Islamic believers” by Makmor Tumin, NurulHuda Mohd Satar, Farah Salwani Muda@Ismail, Nawi Abdullah, Mohamad Yusoff Sanusi, Ahmad Zuhdi Ismail and Osman Md Rasip.

All named authors hereby declare no conflicts of interest to disclose and that this article has not yet been published elsewhere. All of the authors approved the final version of the manuscript submitted for the publication and believes the manuscript represents honest work. This study was funded by the University of Malaya under the Research Grant Scheme (Project No: RG490-13HTM).

Thank you.

Sincerely,
