Dear Authors

I am pleased to inform you that reviewers have recommended your paper titled “Properties of Traditional Clay Roof Tiles Manufacture in Kelantan, Peninsular Malaysia” for publication in the Built Environment Journal. It is an excellent paper and it has been published in Volume 11 July 2014 issue of the journal. We are sending the journal for printing and hope to send you the hardcopy once it is ready.

Thank you for publishing with us.

Yours sincerely,

Assoc. Prof. Sr. Datin Dr Hamimah Adnan
