Journal of Fatwa Management and Research is a refereed journal published by the World Fatwa Management and Research Institute (INFAD) at Universiti Sains Islam Malaysia (USIM). It is published twice a year, in January and July. The main objective of its publication is to provide an appropriate channel for information and research publication, case studies and book reviews related to fatwa based on original research and ideas by the respective authors.
The journal serves as a platform for sharing ideas and experiences related to the research, development and application of fatwa worldwide.
