Dear Dr Noorzurani Robson,

We have reached a decision regarding your submission to Jurnal Sains Kesihatan Malaysia (Malaysian Journal of Health Sciences), "Ethnic differences in bone mineral density at multiple sites of the hip and spine: a cross-sectional, retrospective study of urban Malaysian women".

Our decision is to accept your submission for publication in Jurnal Sains Kesihatan Malaysia (Malaysian Journal of Health Sciences). However, there are several revisions that are required as suggested by the reviewer(s). Please make necessary corrections based on the recommendation/suggestion from the reviewer(s) and upload the corrected version in two weeks from the date of this email. All corrections done on the original manuscript must be clearly stated on the manuscript using red font and must also be recorded into the Author Response Form attached to this email. Please also upload the Author Response Form when submitting the corrected version of the manuscript.
