Elucidating The Survival And Response Of Carbapenem Resistant Klebsiella pneumonia After Exposure To Imipenem At Sub-Lethal Concentrations
Pathogens and Global Health

Dear Dr Teh
Thank you for submitting a revised version of the above submission and your response to the comments made by the reviewers. I am pleased to confirm that the paper is accepted for publication in Pathogens and Global Health. It was accepted on 16 Oct 2018.

Thank you for submitting your work to Pathogens and Global Health.

With kind regards
Andrea Crisanti
