Paper Title: The Effects of Glutathione Precursor’s Supplementation on Early Aging Metabolic Syndrome Condition
Date: 22th January 2019

NOTIFICATION OF ABSTRACT ACCEPTANCE

Dear Ms Wan Safwani Binti Wan Kamarul Zaman,

On behalf of the International Conference on Ageing 2019 (ICA 2019), I am pleased to inform that your submission (Paper ID: ICA19-P004 entitled The Effects of Glutathione Precursor’s Supplementation on Early Aging Metabolic Syndrome Condition) has been ACCEPTED as Poster Presentation.

We look forward to receiving your full paper (camera-ready paper) for inclusion in the conference proceedings by 31th January 2019. Selected papers will be published in a Chapter in Book published by MAPIM Publisher or another reputable publisher. Alternatively, you may attend the conference without having your paper published in the conference proceedings.

Please register and make payment for the conference via the conference website at ica2019.usm.my. To benefit the early bird registration fees, please pay by 31st January 2019.

Thank you for your participation at the ICA 2019.

Yours sincerely,

(ASSOCIATE PROFESSOR DR. BADRUL HISHAM YAHAYA)
