Notes on Contributors

**Edmund Terence Gomez** is Professor of Political Economy at the Faculty of Economics & Administration, University of Malaya (UM). He specialises in state-market relations and the linkages between politics, policies and capital development. He has also held appointments at the University of Leeds (UK) and Murdoch University (Australia) and served as Visiting Professor at Kobe University (Japan), the University of Michigan (Ann Arbor) and University of California (San Diego). Between 2005 and 2008, he served as Research Coordinator at the United Nations Research Institute for Social Development (UNRISD), in Geneva, Switzerland. Other academic appointments include Visiting Fellowships at the Australian National University, Canberra and at the Nordic Institute of Asian Studies, Denmark. His international book publications include Malaysia’s Political Economy: Politics, Patronage and Profits (Cambridge University Press, 1997), Chinese Business in Malaysia: Accumulation, Ascendance, Accommodation (University of Hawaii Press, 1999), Political Business in East Asia (Routledge, 2002), The State of Malaysia: Ethnicity, Equity and Reform (Routledge, 2004), Politics in Malaysia: The Malay Dimension (Routledge, 2007), The State, Development and Identity in Multi-ethnic Countries: Ethnicity, Equity and the Nation (Routledge, 2008), The Politics of Resource Extraction: Indigenous Peoples, Multinational Corporations and the State (Palgrave-Macmillan, 2012), The New Economic Policy in Malaysia: Affirmative Action, Horizontal Inequalities and Social Justice (National University of Singapore Press, 2013), Affirmative Action, Ethnicity and Conflict (Routledge, 2013), Government-Linked Companies and Sustainable, Equitable Development (Routledge, 2014) and Minister of Finance Incorporated: Ownership and Control of Corporate Malaysia (Palgrave-Macmillan, 2017).

**Ganeshwaran Kana** graduated from the Faculty of Economics and Administration, UM, Kuala Lumpur, in 2016 and has worked temporarily as a Research Assistant in many projects under Makmor Tumin, on civil society and health care sector reform in Malaysia.
Kok-Kheng Yeoh, with a Ph.D on ethнополитик in socioeconomic
development from the University of Bradford, West Yorkshire, England
(1998), is an Associate Professor at the Department of Administrative
Studies and Politics, Faculty of Economics and Administration, UM,
Kuala Lumpur. He is the founding editor of the triannual academic
journal Contemporary Chinese Political Economy and Strategic
Relations: An International Journal (CCPS) jointly published by the
Institute of China and Asia-Pacific Studies of Taiwan’s National Sun
Yat-sen University and the University of Malaya’s Department of
Administrative Studies and Politics; was the director of the Institute of
China Studies (ICS), University of Malaya, from 13 March 2008 to 1
January 2014; head of the Department of Administrative Studies and
Politics, Faculty of Economics and Administration, UM, from 1 August
2016 to 31 July 2018; and the founder and editor of the institute’s
triannual academic journal, the International Journal of China Studies
(IJCS, Vol. 1, 2010 – Vol. 5, 2014); and is currently also a member of
the international editorial committee of several journals in Asia and
Latin America. His latest research projects include the Equitable Society
Research Cluster UMRG Programme on Public Administration and
Governance (2016-2017, principal investigator), Malaysian Ministry
of Higher Education/University of Malaya High- Impact Research (HIR)
Grant project “The China Model: Implications of the contemporary
rise of China” (2013-2016, principal investigator) at the Department
of Administrative Studies and Politics, Faculty of Economics and
Administration, UM, and Suntory Foundation/University of Tokyo
international research grant project “Beyond ‘China threat theory’:
Dialogue with China experts on the rise of China” (2014-2015,
Malaysian component).

Kuppusamy Singaravelloo is an Associate Professor and Head of the
Department of Administrative Studies and Politics, Faculty of Economics
and Administration, UM since 1992 and Senior Lecturer since 2005. He
has a Ph. D in local government management from Putra University of
Malaysia (UPM), MPA and Bsc (Physics) both from UM. His research
interests are on privatisation and public enterprises, local government,
housing, and education. He has provided input as consultant especially
in the fields of management, finance and implementation as well as
economic base in numerous Local Plans and Structure Plans in Malaysia
since 1993. He is actively involved in Social Impact Assessment (SIA)
projects including MRT2, LRT3, Penang LRT, DUKE3 and an industrial
development in Banting. He has successfully completed a number of
studies for the Malaysian Ministry of Housing and Local Government,
Notes on Contributors

Ministry of Women, Family and Community Development, Ministry of Finance, Ministry of Higher Education and the State Government of Johor. He has completed some work for ADB, UNESCO and The World Bank. He served as Acting Director for 10 months and Deputy Director (Academic) at UM Centre for Continuing Education (UMCCed) for almost 4 years, and is now back at the Faculty of Economics and Administration. He was part of the steering panel and editorial team to produce the Pelan Transformasi PBT under KPKT.

Lee Kwee Heng received his Doctoral degree from the University of Malaya in healthcare governance in 2017. He has vast experience in managing private hospitals as he was in the top management in several private hospitals in the Klang Valley, Malaysia. His areas of expertise include healthcare management, healthcare delivery, healthcare quality, health financing and hospital management. He is currently active in consultancy work in the area of healthcare and hospital management. He has published several articles in journals. Among the articles are ‘Impacts of Legislative controls on private hospitals’ in Institutions and Economies, ‘Impact of the Private Healthcare Facilities and Services Act 1998 (Act 586) & Regulations 2006 on the Medical Practice in Corporate Private Hospitals in Malaysia’ in the International Journal of Sustainable Development and ‘Making the Private Hospitals Accountable in Malaysia: Complexity and Compliance’ in the Business and Management Quarterly Review.

Loo-See Beh is a Professor at the Department of Administrative Studies and Politics, Faculty of Economics and Administration, UM. She holds a Ph. D in Training Management, M.A. in Political Science, and B.A. (Hons.) in History and Political Science. Her research focus is on public administration and human resource management. She has published extensively and won the 2017 Emerald Literati Network Awards for Excellence - Outstanding Paper (Highly Commended) and 2014 Best Paper Award for her publications. She is also an acknowledged merit peer reviewer for many reputable international journals as well as external examiner for theses. Her most recent publications have appeared in e.g. Public Management Review, Review of Public Personnel Administration, Supply Chain Management: an International Journal, PLoS One, Peer J, Review of Educational Research, Australian Journal of Public Administration, and also a recent book on Culture and Gender in Leadership: Perspectives from the Middle East and Asia by Palgrave Macmillan, UK (2013).
Makmor Tumin is an Associate Professor at the Department of Administrative Studies and Politics, Faculty of Economics and Administration, UM. He has a Ph.D from the University of Malaya in political science. His works are on health policy and politics. Besides focusing on civil society, he also works on organ donation and transplantation policy. Mazlan Che Soh is a lecturer at MARA University of Technology, Shah Alam, Malaysia. He is currently pursuing his PhD in public administration, at the Faculty of Economics and Administration, UM. His research is on civil society and health care sector reform in Malaysia.

Mohamed Jamil Ahmad graduated with a Bachelor of Geography (Hons) from University of Malaya in 1976 and obtained his Master's degree in Urban and Regional Planning from the University of Strathclyde, Glasgow in 1979. His immense knowledge on town and country planning is due to his involvement from 1979 till 2005 as Deputy Director of Training Department, Director of Town Planning Department in Ipoh Municipal Council, Assistant Manager for Ipoh Structure Plan Unit, Director in Department of Town and Country Planning in Perlis and Penang, Deputy Director in Spatial Department, Principal Assistant Secretary in Federal Territory Development and Klang Valley Planning Division in Prime Minister’s Department and Head Assistant Director for R&D Department. He was also involved in the planning of Universiti Kebangsaan Malaysia Sabah Campus, preparation of planning and development guideline for Malaysia condominium, planning for sports complex in Kangar, NKRA lab member on crime reduction and had involved in vast research of land planning and development. He was a Senior Vice President in Iskandar Regional Development Authority (IRDA). Currently, he is an Associate Professor (industry) lecturer at the Department of Urban & Regional Planning, Faculty of Built Environment, UM. He is a member of the Town Planners Board as well as the Malaysian Institute of Planners Council of Advisers (2017- 2019).

Phang Siew Nooi is currently a Professor at the College of Law, Government and International Studies, Universiti Utara Malaysia, Kedah. Prior to this, she has served the Faculty of Economics and Administration, UM, until she retired as a professor. She obtained her Ph.D in local government from the University of Birmingham, England. She has a special interest in local government and urban management. At various times over the past years, she has carried out extensive research and consultancy projects in collaboration with local and
international agencies in these areas and is associated as a country expert in local government. She has published many articles and papers on local government reforms and urban governance for reviewed journals. She regularly reviews articles and papers for publication in various academic journals and actively participates as a paper presenter and resource person in seminars and workshops. She is also involved as a trainer in the Asia-Pacific Regional Training Programs on sub-national and local government matters. She is currently researching in the areas of local government, decentralisation and federal-state relations.

**Raja Noriza Raja Ariffin** is an Associate Professor at the Faculty of Economics and Administration, UM. Her areas of expertise include public policy and administration, policy analysis, urban governance and urban planning. She has a Bachelor’s degree in City and Regional Planning from the University of Southwestern Louisiana, Lafayette, USA, and received her Master’s degree from the California State University, Fresno, USA. She completed her Doctoral degree in Planning at the University of Nottingham, UK in 2006. Dr. Raja Noriza has held various administrative posts, including as the Coordinator of Master of Public Administration, Coordinator for Postgraduate Diploma in Public Administration, Head of Department of Administrative Studies and Politics and the Deputy Dean (undergraduate) at the Faculty of Economics and Administration. She was also Academic Advisor for Diploma in Public Administration, Faculty of Administrative Science and Policy Studies, UiTM. She has published widely in the area of public policy, healthcare and transportation in local and international journals.

**Rosintansafinas Munir** is a PhD candidate at the Faculty of Economics & Administration, UM. She is also a lecturer at the Faculty of Business and Management, Universiti Teknologi MARA, Selangor. Her research interests include business, organisational and social research.

**Sharon Low** has ten years working experience in the oil and gas industry and three years in banking. With the ten years in oil and gas, she has developed a strong expertise and corporate network in the fabrication industry. She has also acquired financial knowledge during her time in the banking industry. Sharon has a Master in Business Administration (MBA) from the University of Sunshine Coast, Australia and a Ph.D from the University of Malaya. Sharon has also successfully obtained the Certification in Training from PSMB (Ministry of Human Resources) and is a Certified Professional Trainer at MIM (Malaysian Institute of
Management). She conducts management courses for corporations in
different states of Malaysia.

Yemo Zhang is one the staff of the Equitable Society Research
Cluster UMRG Programme on public administration and governance
(2016-2018), Malaysian Ministry of Higher Education/University of
Malaya High-Impact Research (HIR) grant project “The China Model:
Implications of the Contemporary Rise of China” (2013-2016) at the
Department of Administrative Studies and Politics, Faculty of Economics
and Administration, UM, and a Ph.D candidate at the Institute of
Biological Sciences, Faculty of Science, UM.

We would like to acknowledge the financial support provided by University of Malaya under
the Equitable Society Research Cluster (ESRC) research grants RP041A-16SBS, RP041B-16SBS
and RP041C-16SBS.
