Dear Sir/Madam,

Manuscript Accepted for Publication in Journal of Building Performance

It is my pleasure to inform your manuscript titled “Exploring Sustainable Healthcare Waste Management Implementation in Teaching Hospitals in Malaysia” (Manuscript ID: 406), has been accepted for publication in Journal of Building Performance and is going to be published in Volume 11 Issue 1, 2020.

The Journal of Building Performance is a research journal published by The National University of Malaysia (UKM), one of the prominent leading research university in Malaysia (top 300 in QS World University Rankings 2018), in collaboration with Building Surveying Division, The Royal Institution of Surveyors Malaysia (RISM).

The journal is indexed by Malaysian Citation Centre (MyCite), UDLedge Science Citation Index (SciCI), and FOCUS (Journals and Conference Proceedings).

We thank you for your effort in publishing with us and look forward to receive your next contribution.

Thank you.

Yours sincerely,

Assoc. Prof. Sr Dr. Adi Irfan Che Ani
Chief Editor
Journal of Building Performance
