Talfig As A Legal Solutions in Islamic Financial Institutions in Malaysia: A Literature Review

Mohd Hafiz Jamaludin¹
Ahmad Hidayat Buang²

ABSTRACT

Talfig is widely used by the present Islamic scholars in formulating current laws, especially in the field of Islamic finance. In this article, the researcher has reviewed a number of published articles with the purpose to analyze several matters which possess direct relationship with the concept of talfig and its application in the field of Islamic finance. The researcher had deliberately elaborate the concept of talfig and the debates by scholars, as well as the applications on this concept. Besides that, the
