14-Feb-2020

Dear Dr. Hamzaid,

I would like to thank you for submitting your manuscript entitled "Classification of Standing and Sitting Phases Based on In-Socket Piezoelectric Sensors in a Transfemoral Amputee" to Biomedical Engineering/Biomedizinische Technik (BMT). Your manuscript has been reviewed, and it is a pleasure to accept it for publication in BMT. The comments of the reviewer(s) are included at the bottom of this letter.

The BMT production office will contact you for proofreading in the near future. Your article will be published ahead of print as soon as possible, and in the printed edition at a later time.

Thank you for your fine contribution. On behalf of the Editors of Biomedical Engineering/Biomedizinische Technik we look forward to your continued contributions to the Journal.

Kind regards,
Prof. Thomas Stieglitz
Associate Editor, Biomedical Engineering/Biomedizinische Technik

Reviewer(s)' Comments to Author:

Reviewer: 1
The authors have answered all my concerns.

Reviewer: 2
Well done incorporation of reviewer comments. I am delighted that there is movement and progress in this field.
