Dear Dr Chan,

It is a pleasure to accept your manuscript entitled "Modest alcohol intake is not associated with significant hepatic steatosis nor more severe liver disease in patient with diabetes mellitus" in its current form for publication in Journal of Gastroenterology and Hepatology.

Please note although the manuscript is accepted the files will now be checked to ensure that everything is ready for publication, and you may be contacted if final versions of files for publication are required.
Your article cannot be published until the publisher has received the appropriate signed license agreement. Within the next few days the corresponding author will receive an email from Wiley’s Author Services system which will ask them to log in and will present them with the appropriate license for completion.

Congratulations on submitting such an excellent article to JGH.

With kind regards,

A/Prof. Shiv Chitturi
