CRICE SETS HISTORY: FIRST TEAMS WEBINAR IN UM

CRICE has decided to go online. It is quite challenging and exciting, as we had to start from scratch, understanding the Microsoft Teams & how it operates.

CRICE 1st Webinar went live on 11 June 2020. It was a seminar given by Prof. Dato' Dr. Choopeak Way Cheong Meng, as he briefed Education for Global Citizenship. There were 146 attendees & questions came from as far as Japan and India during the Q&A session.

It was a transformative initiative and takes CRICE to the next level of disseminating knowledge at the international stage.
