CIVIL DISOBEDIENCE: UNLAWFUL OR DEMOCRATIC?

Khoo Ying Hooi, Universiti Malaya

Malaysia has seen increasingly more civil society movements in recent times, with examples such as BERSIH and Himpunan Hijau. While civil disobedience is widely considered as the cornerstone for democracy, critics argue that the act of civil resistance is unlawful as it goes against the laws of the land.

In the following interview, BFM explores the role of civil disobedience in Malaysia with Khoo Ying Hooi, academic staff member at the Department of International and Strategic Studies in Universiti Malaya.
