

The Malaysian **Surveyor**

The Professional Journal of The Institution of Surveyors, Malaysia

35.2

2nd Quarter 2000

ISSN 0127-4937

PP735/2/2000

A quarterly publication which touches upon the development of the surveying profession, innovations in surveying technology and surveyors' contribution towards the property market and building industry.

The Institution as a body does not hold itself responsible for statements made or opinions expressed in the articles and advertisements printed in this publication, or for the strict accuracy of references to law cases, which are intended only as a gloss on authorised reports. Rights of translation and reproduction reserved.
