### ABSTRACT

This file provides a template for the camera-ready papers for the conference. The papers will publish in an electronic format and the authors required to follows the guidelines. We asked the author to submit the article in two (2) files format; MS-Word and PDF Portable Document Format (PDF). Both files shall save with the full first author's name as name of the file.

The abstract should not exceed 500 words, in English or Malay, and positioned on the top of the first page, after the title of the paper in chapter titled "Abstract" (without chapter number), after the names of the authors and the contact information of the corresponding author.

**Key Words:** Maximum 4 Key words.

### 1. INTRODUCTION

The authors will submit carefully written and proofread material. Spelling and grammatical errors, as well as language usage problems, are not acceptable in the final submission. There is no strict limitation on the number of pages, but we suggest that the paper length should not exceed 6000 words.

The papers should clearly describe the background of the subject, the authors work, including the methods used, and concluding the discussion on the importance of the work. The papers can be written in English (British or American) or Bahasa (Malay or Indonesia). The technical terms require explanation. Acronyms should be written out at their first appearance.

### 2. SUBMITTING THE PAPER

The Full paper has to be sent electronically to the following addresses:  
[aicad2019.editorial@gmail.com](mailto:aicad2019.editorial@gmail.com) and the submission deadline is on 30<sup>th</sup> August 2019.

### 3. PAPER FORMAT

The uniform outlook will help the reader to follow the proceedings. This can be obtained most easily if authors use this template file to construct their papers. Please note the following details: this template is an A4 format. All text paragraphs should be single spaced, with first line intended by 10 mm (0.4 inch). Double spacing should only be used before and after headings and subheadings as shown in this example. Position and style of headings and subheadings should follow this example. No spaces should be placed between paragraphs. Please do not change any of the above mentioned page, paragraph and font settings.

### 3.1. Fonts

Papers should use 11-point Arial font. The styles available are bold, italic and underlined. It is recommended that text in figures is not smaller than 10-point font size.

### 3.2. Tables and Figures

Figure captions and table headings should be sufficient to explain the figure or table without needing to refer to the text. Figures and tables not cited in the text should not be presented. Styles Heading Table and Caption Figure are available in this template for tables and figures. The following is the example for Table 1.

Table 1 Title of Example Table

Standard Error	20 Story				30 Story			
	Uniform	ELF	SRSS	3 Modes	Uniform	ELF	SRSS	3 Modes
Displacement	29.53	44.58	41.05	23.81	27.4	43.6	40.87	20.65
Drift	60.4	60.92	60.47	38.24	60.91	63.83	63.53	26.19

Tables and figures should be placed close after their first reference in the text. All figures and tables should be numbered with Arabic numerals. Table headings should be above the tables. Figure captions should be centred below the figures. Minimum figures' resolution: 150dpi.
